

# THE SCHOOL GARDEN DOCTOR

presents

## Sustaining School Gardens

In this course, participants will collaborate to develop leadership capacity to sustain school gardens. Using a Professional Learning Community (PLC) model, learners will read and discuss school garden research, examine and critique school garden curriculum, and plan and prepare a final project.

**Dates:** November 2nd, January 18th, March 21st and May 16th

**Day/Time:** Select Saturdays from 10 am-12 pm

**Cost:** \$35 for the required course text.\* Optional \$65 for CEUs<sup>+</sup>

\*Cash or check payable to The School Garden Doctor (online payment coming soon!)

+ Check or credit card payable to Sonoma State University.
